

7th European Sustainable Energy Seminar 2010

Organized by INFORSE-Europe and EREF, Brussels

Date: Wednesday, April 27, 2010

Time: 9.00 – 17.30, including lunch and breaks

Venue: to be confirmed

Participation fee: 80 EURO per person (including lunch). Free for members of INFORSE-Europe and EREF.

A one-day seminar on highlights in sustainable energy policies in Brussels. At the opening session MEP Claude Turmes, MEP Jo Leinen and a representative of DG Climate will discuss future EU actions in climate policies, then follows sessions on the renewable energy directive, energy efficiency in the EU, and the Global Energy Assessment. The seminar is organized by International Network for Sustainable Energy (INFORSE) - Europe and European Renewable Energy Federation (EREF).

The event is part of the EU Sustainable Energy Campaign (link) <http://www.sustenergy.org/>
